WHY DIDN'T YOU DECLARE RIICHI-?
THE POINTS WOULD HAVE BEEN THE SAME.
IF I HAD DISCARDED THE 7-MAN 七, WOULD YOU HAVE RON IT?
I WOULD
WHAT A WASTE*
カニシャ
If I had cut the pei 北 as I normally would,
I would have only lost 8900 points...?*
ギュ
But I still have 32000 points and we're only in East 2...
The match just started!

*TL note: Suuankou is 4 concealed triplets. If Sachiko had ronned a 7-man, she would have opened one of her triplets and then it would not be a yakuman anymore, only mangan worth 8000 points. If she had done the same for Hayari's Pei (north wind tile), Hayari would have lost 8900 points instead of 16300. So for Hayari, getting ronned would have been the better option here.

I'M THE DEALER SO I'M GOING IN PURSUIT
